day – 482-2170/evening – 482-2429
tables \$5.00 each- set up Friday night or Saturday morning at 7:00 a.m.

Safety Tips:

During a tornado watch – remain inside, away from windows and doors. Listen to the radio to TV. Keep a battery-operated radio or a NOAA Weather Radio. Make sure your family disaster supplies kit is complete.

Be alert during a thunderstorm watch. Severe thunderstorms can produce tornadoes. Being prepared will give you more time should the weather turn severe.

During a tornado warning – listen to the radio or TV for weather updates and instructions from local officials. Quick action and planning ahead can save your life! If you get caught in a tornado, know what to do: take shelter immediately; stay away from windows, corners, doors and outside walls; be aware of flying debris; crouch on the floor near an interior wall or under a heavy object, such as a table; bend over and place your arms on the back of your head and neck (which are injured more easily than other parts of your body).

Pet Care:

Please be a responsible pet owner. People are watching and a number of calls have come in regarding the treatment and neglect of many animals in our community. Make sure your dog has access to fresh water at all times, shade from the hot sun and shelter from winds, rain, hail and snow. Dogs need exercise, two walks daily and opportunities to run freely at times. Mosquitoes and woodticks are bothersome to pets. Check your pet for ticks and take your dog inside when mosquitoes are bad. Dogs need attention and affection, just like people do. They are living and loving creatures who depend totally on their owners for a safe and happy life.

Canada Day Donations:

The Emo Municipal Council, along with the Canada Day Committee would like to thank the following business for their donations toward fireworks and birthday cake during the Canada Day celebrations:
